

xRM and CRM for small and medium-sized companies

» Since we have been working with CAS genesisWorld we can see exactly which partner packages our customers have bought and we can keep a close overview of these products. «

Natasja Mengerink, Marketing

# Achterhöek Toerisme

### Industry sector

Travel and tourism

#### Requirements

- Ensure comprehensive input / management of customer relations in both Dutch and German
- Provide improved management of product arrangements, partner packages
- Allow campaign and project management
- Enable financial overviews: Analyses of time sheets, calculations of expenses
- Enable the integration of Microsoft Outlook
- Allow mobile working with all relevant data

### Benefits and Advantages

- Provides a centralized CRM system for all relationships (partners, friends, suppliers, networks, government), this enables greater transparency and smooth cooperation between departments
- Improved basis for decision making thanks to capabilities which allow the fast analysis of data (for example: highlighting which partner package a customer has bought, costs per employee / per project)
- Allows comfortable mobile working using CAS apps
- Provides simple time recording functionality for employees using direct links to projects and customers
- Makes optimal use of customer potential: Recognizes the different customer wishes and requirements and then offers custom business opportunities

# CAS genesisWorld
